

January 2, 2024

To whom it may concern:

Twitchell Technical Products does not manufacture any products to contain or has intentionally added any of the substances listed below:

- PFOA (perfluorooctanoic acid), its salts, or related substance(s)
- PFOS (perfluorooctane sulfonate), its salts, or related substance(s)
- PFASs (per- and polyfluoroalkyl substances) or related substance(s)

Twitchell does not analyze for the substance(s) as it is (they are) not expected to be present.
