PRESS RELEASE

Meet Your New Customer Service Representative Tiffany Joyner

DOTHAN, Alabama, August 15, 2024: Thrilling update! We are delighted to welcome Tiffany Joyner as the newest member of our exceptional customer service team. Tiffany, a dedicated Twitchell employee for many years, has decided to advance her career by transitioning into the customer service department. Her vast experience in the weaving department, where she adeptly organized and managed our quality procedures and fabrics, makes her an ideal addition. With her impressive organizational prowess and in-depth knowledge of Twitchell's products, Tiffany is poised to provide unparalleled service to our customers.

ABOUT Twitchell Technical Products, LLC:

Since 1922, Twitchell Technical Products, LLC has represented quality in yarns and fabrics across a multitude of industries. Today, they have grown into a multi-national manufacturer of some of the world's most innovative fibers, textiles, and coatings. Located in Dothan, their broad product spectrum ranges from outdoor furniture fabric to exterior shading and everything in between. For more information, visit www.twitchellcorp.com.
